

# Breeze Through the Trees May 7, 2022

The **Pine Trail Run** will host three races in 2022: 5k, 9 mile and 50k. The 5k and 9 mile courses follow scenic forest routes just below the Mogollon Rim while the 50k course climbs and descends the Rim. The Pine Trail Run is aimed at bringing visitors to appreciate the beauty of the region and to raise funds for the non-profit Pine Strawberry Fuel Reduction Inc.'s programs for wildfire prevention and new trails.

Check out the race details and register at [www.pinetrailrun.com](http://www.pinetrailrun.com)
