

discussed options for the future of PSFR.

Option 1. Shut it down

Option 2. Split off trails and fuel reduction and have two different boards

Option 3. Switch to a board of directors spreading out the responsibility

Option 4. Hand everything off to the Payson group

Option 5. Combination of the above

Also of note: Brenda Darling handed in her resignation but no vote has been taken on it.

Also discussed

Mike willing to move resignation date.

Possible directorships

director of operations
